

Join us for **Headache Health Talks** ~ a **FREE Webinar** series.

Get the latest information about headache causes and treatments from the nation's leading headache specialists and participate in a question and answer session to learn how to better manage your headaches.

Enjoy Your Holidays: A Guide to Managing Migraines

This program covers basic information about migraine, as well as how migraine sufferers are affected during the often stressful holiday season. We will discuss common holiday-related triggers, including family stresses, seasonal food triggers and changes in schedule, and how to avoid them to make the best of your holiday season. There will be Q&A sessions with the presenting headache experts after the presentation.
