

# Certificate of Added Qualification in Headache Medicine

*Why should you earn the Certificate of Added Qualification (CAQ) in Headache Medicine from the National Headache Foundation?*

- **Validation of a level of expertise in headache medicine**

You will receive a plaque designating your certification and be announced in *HeadWise*, the National Headache Foundation's quarterly magazine.

- **Possibility of more patient referrals**

You will be listed in the "Healthcare Practitioner Finder" on [www.headaches.org](http://www.headaches.org), a popular resource where patients can search for certified healthcare practitioners near them.

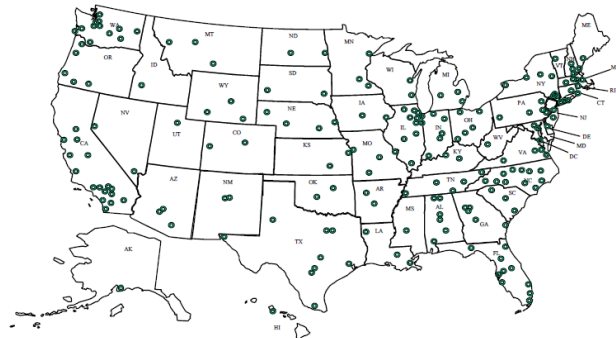

- **Enhanced credibility and satisfaction of providing your patients with the best possible care**

Headache and migraine are among the most prevalent diseases in the U.S. Know that you are giving these patients the best possible care.

- **Recognition of skills when dealing with managed care and government agencies**

NHF will provide you with a sample announcement to assist you in alerting your local media outlets and professional societies that you have received the credential

**Finding a place to take the CAQ exam is easy!** There are test centers in all 50 states and the District of Columbia. Visit [www.goAMP.com](http://www.goAMP.com) to find a test center near you.
